To W. L. Garrison

44

Dear Sir

Miss Holley requested that a brief notice of her visit to Virginia, last week, might be given to the Liberator. I send you one, with much satisfaction. I was present & saw her influence on my own mind, as well as upon the testimony of others, & felt that she is doing great good.

Yours Very Truly

J. A. Andrew

12th April 1853
